

3rd July 2020

Hello Terrific Tigers,

I can't believe that it's July! Time is passing really quickly. I hope you're still working hard and being kind to each other.

Activities for the week beginning 6th July

In Numeracy, I would like you to look at the Week 10 lessons on the Oak National Academy on time - <https://classroom.thenational.academy/schedule-by-year/year-3/>

Mr Mac has been having fun with his video camera again and this week he wants you to write a non-chronological report about a very unusual creature. Check out his lessons in Week 8 at <https://classroom.thenational.academy/schedule-by-year/year-3/>

Please continue our work on sound at - <https://classroom.thenational.academy/lessons/amplitude-and-decibels>

It's rained so much this last week that it got me thinking about rain and where it comes from. You can learn about this at - <https://classroom.thenational.academy/lessons/why-does-it-rain>

The art topic this week is about optical illusions - <https://classroom.thenational.academy/lessons/optical-illusions-and-using-shading-to-show-form-5248d3>

Mrs Duck
