

25th June 2020

Hello Terrific Tigers,

Activities for the week beginning 29th June

This week, please complete the activities I have set to finish off our work on the book, 'Our Teachers are Superheroes'. If you need to refer back to the ebook, you can find this at <https://www.twinkl.co.uk/resource/t2-e-3943-our-teachers-are-superheroes-ebook>

In Numeracy, I would like you to look at the Week 9 lessons on the Oak National Academy - <https://classroom.thenational.academy/schedule-by-year/year-3/>

Please continue our work on sound. Week 9 looks at pitch of sound and sound waves - <https://classroom.thenational.academy/lessons/frequency-and-pitch-of-sound-hearing-range>

If you fancy, you can make pictures of sound waves, I've included instructions.

I've found another fabulous teacher on The Oak site who wants to share some fun facts with you about the climate and weather. Something that is very topical at the moment - <https://classroom.thenational.academy/lessons/what-makes-up-the-weather>

I've also learnt about another new fun art technique called frottage. You find instructions on the Oak Academy at <https://classroom.thenational.academy/lessons/texture-treasure-hunt-76b021>

Don't worry if you can't access this because I've managed to put this together into a set of instructions on a worksheet for you to follow.

Mrs Duck
