

7th May 2020

Hello Terrific Tigers,

I've been in school this week so had the chance to try some of the Oak National Academy lessons with some children and they have enjoyed doing these and found that they can do a lot of the learning independently so I will continue to let you know which lessons will support your learning. If you are struggling to fit these in, don't worry. Keep looking at the resources on the Teacher's Pet website for shorter activities linked to Literacy and numeracy.

Activities for the week commencing 11th May 2020.

Literacy

Look at Year 3, Week 3 on the Oak National Academy Website

<https://www.thenational.academy/online-classroom/year-3#schedule> where there are a series of lessons based around the poem 'The Sound Collector'

Numeracy

Please continue with the work on White Rose Maths -

<https://whiterosemaths.com/homelearning/year-3/>

Science

Check in and see what has happened to the plants that Miss Roberts planted last week - <https://www.thenational.academy/year-3/foundation/parts-and-function-of-a-plant-year-3-wk2-3>

History

Hopefully, you have enjoyed finding out more Henry VIII and there are a further 2 lessons on this in Year 4, Week 2 - <https://www.thenational.academy/online-classroom/year-4#schedule>

I hope you're having a good week and making the most of the sunshine. It's been lovely to see some of the good work and fun activities you've been doing. If you do anything special for V E Day this Friday make sure that you post pictures to our twitter page as I'm missing seeing all your lovely smiley faces.

Take care and stay safe.

Mrs Duck
