

## Singular and Plural Nouns - adding s for plurals

Remember: Singular is one noun and plural is more than one noun.

Write the plural noun in the plural column. The first one has been done for you.

| singular                                                                                     | plural                                                                                    | singular                                                                                     | plural                                                                                |
|----------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| <br>cup     | <br>cups | <br>car    |    |
| <br>hat     |          | <br>mop    |    |
| <br>dog     |          | <br>frog   |    |
| <br>cat     |          | <br>bag    |    |
| <br>pig   |        | <br>cake |  |
