

# SUPERHERO - ALICIA

Alicia is a superhero with superspeed and the ability to fire a powerful blast from her gloves. She always wears her blue cape and golden belt when she is answering a call for her help.

On her belt, Alicia has a button that she can press. This helps her to run at superspeed, faster than a Ferrari! She uses this superpower to catch naughty criminals as they escape. Alicia is able to chase them gracefully and deliver them to police officers for their punishment.

Alicia's most dangerous mission was snaring an evil gang stealing jewellery. As they sped off in their car, Alicia used her gloves to fire a blast, knocking over a tall tree and blocking their path! She dashed to apprehend the criminals and handed them over to the police.

“Thank you, Alicia,” said PC Dunk. “You are the bravest superhero in this town!”
