

Half Term Holiday Activities

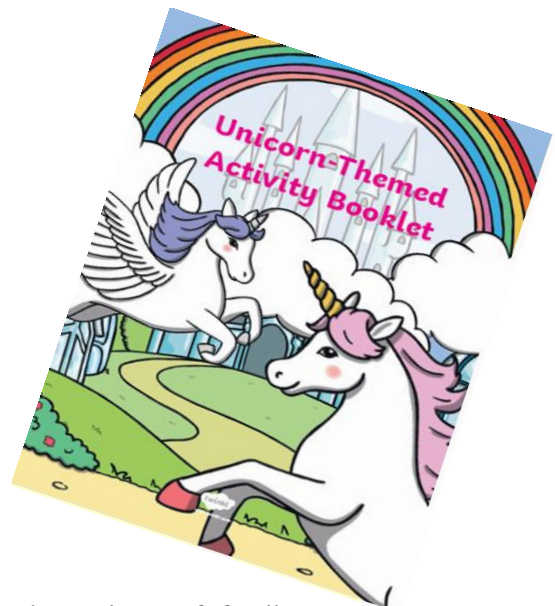

Hello mini-monsters,

This week would have been our half term holiday. I've looked at the weather forecast and it looks like it could be quite nice weather so they'll be plenty of opportunities to get outside in the garden.

524 years ago when I was your age, I would have been outside building dens all the time. I built them using old blankets, sheets, the clothes horse (ask your parents what one of those are!) and a bag of pegs. Maybe you could build some dens and send me some pictures of them on your Dojo portfolio so I can have a nosy! Don't laugh, but this is me when I was your age building one of my many dens on the back of my dad's pickup truck.

If you fancy doing an activity booklet I have found you a Unicorn themed and a Space themed activity book to do and these are on our class page on the school website.

I hope you have a lovely half term holiday and that you have lots of fun!!

Please take care of yourself and remember to be good for your adults.

Love from Miss Smith
