

Super Stars/ Year 2 Activities for Spring bank holiday

Hello Class 2!

We hope you've had a good week. We are so pleased how hard you are all working and we love seeing all your videos, photographs and work on Class Dojos. It would be lovely to see some photographs of all the exciting things you get up to over the half term holiday too.

As it's the holidays we have set no home learning for you but have found some lovely activities for you and your family to complete if you want to. These activities link to the science topics covered next half term.

- Make your own minibeast hotel
- Make your own wormery
- Minibeast hunt- what minibeasts can you find in your garden?
- Make minibeast pebbles- a fun art activity using pebbles to make a ladybird, bee or spider
- My A-Z of nature- on a walk or in your garden can you find something in nature for each letter of the alphabet?
- Race to make a rainbow- on a walk or in your garden can you find something in nature for each colour of the rainbow?
- Nature walk scavenger hunt- can you complete the challenge and find all the items?
- Minibeast booklet- fun minibeast themed activities

A link below for something you may like to do as a family in June.

This June, join thousands of people taking part in our annual nature challenge, 30 Days Wild! We want you to do one wild thing a day throughout the whole month: for your health, wellbeing and for the planet. That's 30 simple, fun and exciting Random Acts of Wildness.

We hope you have a lovely half term.

Sending lots of love,

Mrs Malpass and Mrs Jones
