

Super Stars/ Year 2 Work for the week commencing 4th May.

Dear Class 2

We hope you are still all well. It was great to see some of your habitat boxes and reports to go with them on Twitter. Please continue to put any learning on there that you've been doing, it's great to see what you've all been up to. We have set a daily literacy task, maths task, reading task and topic related task for you to complete. Your parents are trying their best to look after you and your family as well as work themselves so we understand that they will try their best to support you in your work and help you complete the tasks. We appreciate this will vary according to everyone's individual circumstances. We hope you enjoy the completing the home learning as we've tried to make it fun!

Sending lots of love

Mrs Malpass and Mrs Jones

Maths

The focus for your maths work this week is to continue learning about fractions and begin looking at measure. Use the **Summer week 1** tab on White Rose Maths to complete each daily lesson. You'll need to watch the video and complete the related activity sheet. You can also practise your knowledge of fractions practically to reinforce the skills you've learnt. Can you cut a sandwich in to different fractions? What fraction do you eat? Can you cut/share different foods/ objects in to different fractions? Can you measure some of the items in your house? Can you sort them from smallest to largest?

<https://whiterosemaths.com/homelearning/year-2/>

In addition remember to practise all the quick recall maths facts you've learnt in school (2, 3, 5 and 10 timetables, doubles and halves of numbers to 20, number bond to 10 and 20 and numbers pairs to 100). The website below has a variety of games for different areas of maths. Click on the tabs at the top of the page to play games linked to the skill you want to practise.

<https://www.topmarks.co.uk/maths-games/5-7-years/times-tables>

Literacy

Your literacy work is to start a new unit of learning on the Elves and the Shoemaker. Follow the link below to read the story and complete the related activities. You need to complete one of the set activities each day and these activities will last for the next two weeks.

<https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y2-Emma-Elves.pdf>

The file is also included with this week's work. There is a request for a donation to help support Great Ormond Street Hospital for each unit. We have donated to access the link but if you would like to donate as a parent that would be great. It's for a really good cause.

Top tips when writing

- Use careful handwriting leads/joined
- Use careful spellings using your phonic knowledge/dictionary
- Use a clear capital letter, finger spaces and a full stop to punctuate your sentences.
- Try writing in multi-clause sentences using conjunctions.
- Try adding descriptive detail using adjectives, how adverbs (ly) and similes.
- Try to use commas in lists, exclamation marks and question marks correctly.

Geography

Your geography work this week is based on your local area and making a map. The following are daily activities to complete.

- **Lesson 1: What is a map and what symbols do I need?**
Watch this video to help you find out about maps. It is American but has all of the key information.

<https://www.youtube.com/watch?v=DSnVCV4uGGQ>

Now complete the **Using a Compass** sheet.

- **Lesson 2: Can you design a map showing what is in your bedroom?**
Revisit the link from yesterday and then draw a map of your bedroom. Try and include all of the furniture and see if you gave your map to someone else, would they be able to follow it?

- **Lesson 3: What can be found in my local area?**
Visit Google Maps and explore your local area. What can you find near where you live? Try the satellite option and zoom in to see if you can find your house. Can you find the nearest school? Park? Shop? Playground? Church?

<https://www.google.co.uk/maps/>

- **Lesson 4: Can you design a map of your local area?**

Use the **Local Area** activity sheet to discover what you can in your local area. When you return home see if you can draw your own map of the area, including some the symbols. There are two versions of the sheet, one is in black and white and the other is in colour so that you can print whichever version you prefer.

- **Lesson 5: Can you design your own treasure map?**

Now have a go at designing your own treasure map. Think carefully about what you need to be on the map and don't forget your X marks the spot!

<https://www.youtube.com/watch?v=hF3jKjgsm58>

Don't forget to post your maps on Twitter.

- **Extension Activities (optional):**
If you want to make an authentic looking treasure map, this link shows you how.

<https://www.youtube.com/watch?v=3B0rfI5FpGU>

Those of you who use Minecraft could explore the treasure maps in there.

Magical Mapping Challenge cards, for you to accept or not!

Reading Tasks

Please complete the short reading task everyday as listed below to develop your comprehension skills. Please only print the first page for each day as the answers are on the second page!

- Lesson 1: A Helicopter Tour of London
- Lesson 2: All about Africa
- Lesson 3: I Do Like to Be Besides the Seaside
- Lesson 4: The Isle of Coll
- Lesson 5: People Who Help Us

Phonics

For those children still on the phonics programme it is important to continue to read your Read Write Inc books online on the website below. Read books you haven't read the same colour as the books sent home from school.

In addition there are lots of phonics resources as well as links to daily phonics lessons which you can watch.

<https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/>

Reading at home

It is really important you continue to read regularly to an adult at home. These can be stories of your own as well as stories online. Below is a link for free reading scheme which supports the scheme we follow in school. Click on age group - (6-7) then - all levels then -book bands and select the band you read as indicated on your reading book sent home.
